

Who is doing what, where and when

The Ore Valley Forum is a resident-led neighbourhood forum. It works in partnership with agencies and service providers to make the area a better place to live and work.

After consultation with local residents during November, the Forum will revise this draft local plan and send it to the **Hastings Local Strategic Partnership**. This partnership includes all the main service providers and agencies which operate in Hastings & St Leonards.

Once approved by the Local Strategic Partnership, the plan will be supported and put into action.

ORE VALLEY LOCAL ACTION PLAN

Produced by the Ore Valley Forum

This is our draft Local Action Plan for Ore Valley.

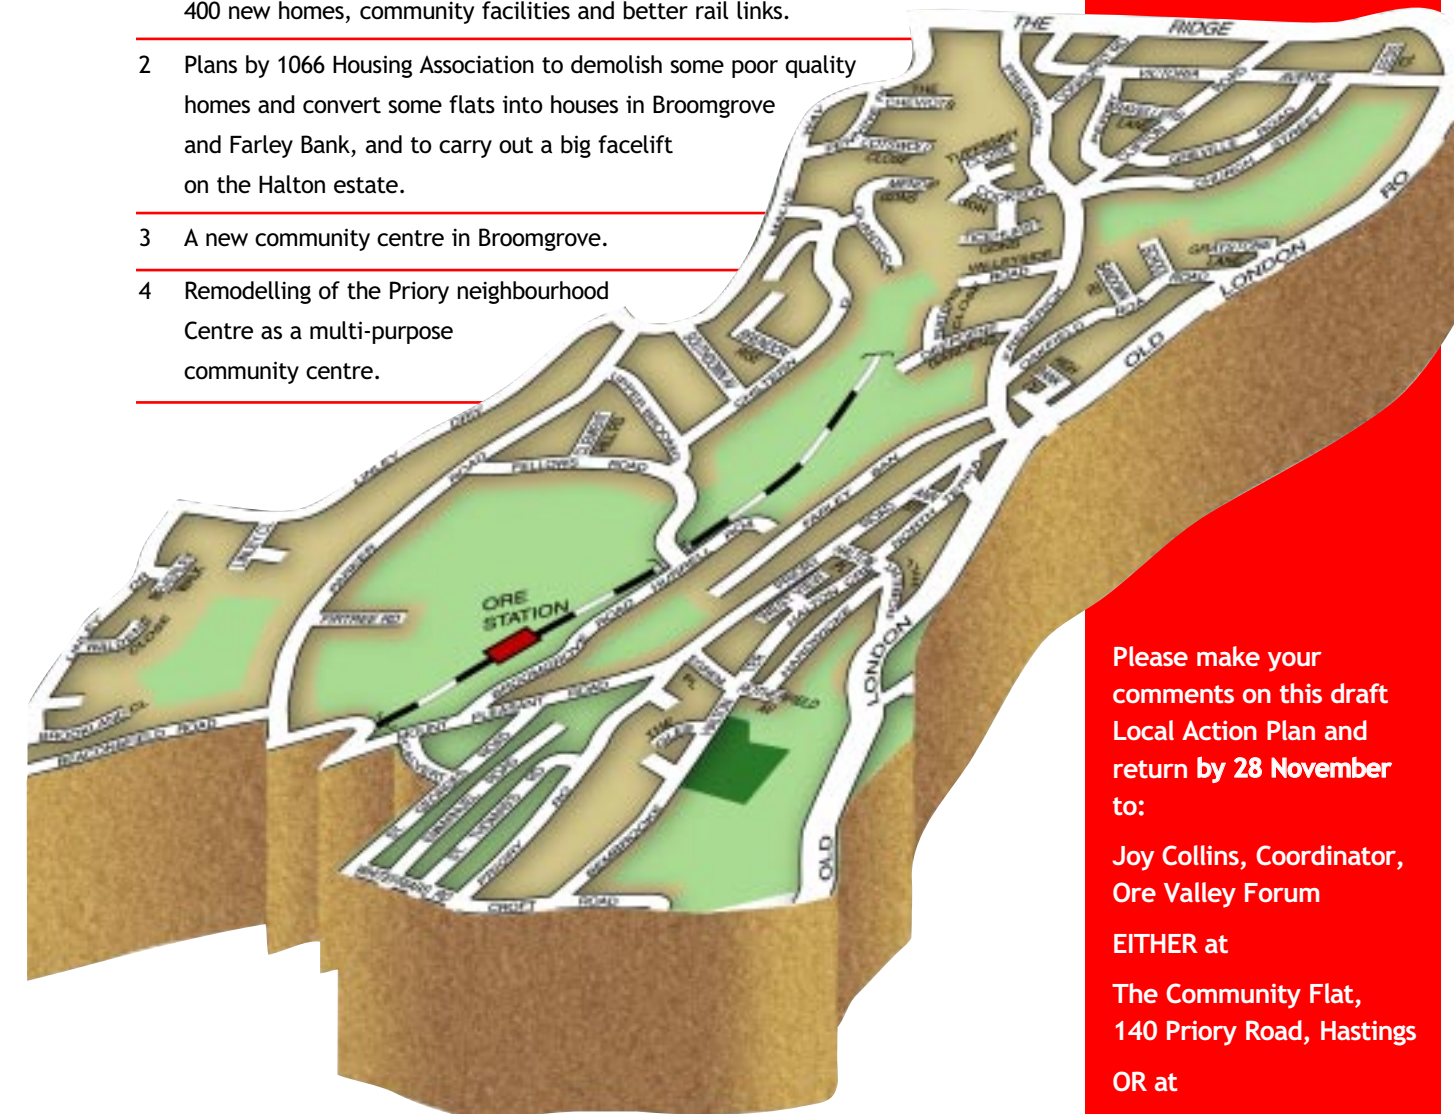

After consultation with local residents and with the service providers it will be revised and finalised. It will then become part of the overall Community Strategy for Hastings & St Leonards.

The Action Plan sets priorities for action over the next 12 to 18 months based on key issues identified by the community.

Several important and exciting developments are planned for the area and these will also be progressed during this period:

- 1 The Hastings Millennium Community project which will include 400 new homes, community facilities and better rail links.
- 2 Plans by 1066 Housing Association to demolish some poor quality homes and convert some flats into houses in Broomgrove and Farley Bank, and to carry out a big facelift on the Halton estate.
- 3 A new community centre in Broomgrove.
- 4 Remodelling of the Priory neighbourhood Centre as a multi-purpose community centre.
